

# Fall 2023 Schedule of Workshops

## New York Logger Training

New York Logger Training (NYLT) is a cooperative effort of timber harvesters, foresters, forest industry, forest landowners, government, and educators working together to learn and practice environmentally sound logging practices and improved woods skills to develop a safer work environment, increased productivity and profits, and a better quality of life. NYLT's Trained Logger Certification © (TLC) has become the standard training for programs such as the Sustainable Forest Initiative (SFI) in NYS and is supported by the New York SFI State Implementation Committee (SIC). TLC is a voluntary program which recognizes loggers who have achieved a level of training and continuing education.

The Trained Logger Certification (TLC) program was developed to recognize individuals who complete a training schedule involving three "core" areas of logging knowledge and skills:

1. **Environmental Concerns:** Forest Ecology & Silviculture
2. **Chainsaw Safety, & Productivity:** Game of Logging™ (any level); Game of Logging workshops are presented at no cost to participants through a grant from the NYS Department of Labor's Hazard Abatement Board—however participants must be members of ESFPA.
3. **Adult First Aid & CPR:** In addition to any courses NYLT offers, Red Cross, Heart Association, or National Safety Council are acceptable; participants must send proof of course completion to the NYLT office to receive credit. NYLT accepts HANDS ON training only for this credit.

### Continuing Education Courses:

TLC is valid for 3 years from date of certification. To maintain certification, participants must take an additional three (3) pre-approved credits over the three (3) years following their initial certification and maintain current (every two years you must renew) First Aid and CPR status. New courses are continually being reviewed and approved for Continuing Education Credits. If taking a course not hosted by NYLT, participants are responsible for ensuring approval of the course and sending a copy of their course certification along with a \$25.00 administrative fee (First Aid/CPR excluded) to the NYLT Office at 47 Van Alstyne Drive, Rensselaer, NY 12144. Checks should be made payable to New York Logger Training.

**Outside courses** can be submitted to NYLT for consideration of TLC credit. There are many courses that help you in the course of your work. It does not hurt to try and get credit for them. Submit the course prior to taking it. Once approved you will need to submit proof of attendance.

**Registration Fees** must be paid at the time of registration. No refunds will be given for workshop no-shows or for cancellations 7 days or fewer before the date of the workshop.
